

# NEWAY VALVES

## Complete Solutions for Industrial Valve Manufacturing

**Neway** is the largest integrated valve manufacturer in China and has fulfilled all the qualifications to manufacture a wide range of industrial valves for the most severe and demanding services of the Oil, Gas, Refinery, Chemical, Marine, Power and Pipeline Industries.

**Neway's** production of Gate, Globe and Check valves include: Sizes range from 1/4" – 52"; ASME class 150-2500; materials range from conventional cast or forged steel to chrome alloy steel. Neway is able to produce valves for working temperatures minus 320 degree F to 1200 degree F all available to fully comply with ASTM, ANSI, API, BS and DIN standards.

### Quality Control

Neway's facilities include two valve factories, two foundries and the newly established Technical Research Center. Neway has developed an extensive and advanced inspection and test facilities to control the quality from rough castings or forgings to final products. These facilities enable Neway to do Radio graphic test, Dye-penetrant test, Magnetic test, Hardness test, Fire safe test, Cryogenic test, Vacuum test, Low fugitive emission test, High pressure gas test, High temperature test, Ultra-sonic test and Hydro-static test. Neway quality assurance is dedicated to the pursuit of a zero defect valve, and this has resulted in the company having many quality qualifications. Neway is certified by ISO 9001 (certificate under DNV) and API 6D (registered no. 6D-0285) and their offshore platform valves are type approved by ABS. Moreover, Neway is the first valve manufacturer in China to be certified by CE/PED (category IV, mode B+D, certificate under B.V.)

### Availability

Warren Alloy maintains project level inventories of commodity and special Neway valves to instantly fill your most demanding requirements. Our shelf inventory consists of sizes thru 36", materials – WCB, LCC & WCB X 316 to NACE, pressures 150-2500# along with butt weld end connections and pressure seal valves. Back orders and lead times are often eliminated with our same day service and worldwide shipment.
